Dear Sir/Madam,

RE: APPLICATION FOR ATTACHMENT

I am eager to apply for the attachment opportunity at Mount Kenya University. As a fourth-year IT student at Meru University of Science and Technology, I have developed strong skills in software development, network administration and cybersecurity. My academic coursework and hands-on projects, such as a university security system and an e-commerce website, have honed my abilities in Java, PHP, HTML/CSS, JavaScript, Git, and MySQL. My experience as an IT Support Assistant at Kenya Methodist University has further enhanced my problem-solving and technical support skills.

Your Institution's reputation for innovation in the IT sector greatly appeals to me. I am confident that my background, combined with my enthusiasm for cybersecurity, AI, and machine learning, will enable me to contribute effectively to your team. I look forward to discussing how my skills and experiences align with your institution's goals am ready to get started anytime. Thank you.

 Please contact me through +254793594637 or wafulajoab98@gmail.com

Sincerely,

Mong'oma Joab Wafula
